

Renfrew Minor Soccer 2025

U15 Boys Cup Day

On behalf of the entire Renfrew Minor Soccer Executive, we would like to thank you and your team for joining us for the VUSL U15 Boys Cup Day coming up this Saturday August 16th.

Information for your team

Game Sheets – Coaches, please be sure that you bring **2 copies** of your game sheet for **each game** that your team plays.

Quarter/Semi/Final games – Please bring with you 6 printed game sheets with only your team information (no opposing team, game# or field location indicated). That can be filled in as required. Any questions about this please email soccerrenfrew@gmail.com.

Fields – All games will be played on the 2 soccer fields behind the arenas (Lindsay and Jamieson). Our club will be setting up the fields and will provide a canopy as well as a team bench for each team to use during games.

Construction – There has been ongoing construction taking place on Mateway Drive since mid July. We are not certain if they will be working on Saturday, but wanted you to be aware.

Food & Drinks – See the flyer attached for food and drinks being sold (Domino's Pizza, cold drinks). Please let your parents know that we will have slices of Domino's pizza, cold drinks and snacks available for sale (Cash only please!)

Washrooms – There are washrooms available inside the MyFM Centre – but please note that cleats need to be removed upon entry and not worn inside the facility.

We will be providing sun shelters on each field for use during the games, but please remind all players and families that they should remember to bring lots of fluids for hydration and lots of sunscreen!

Thank you again and best of luck to all teams!
